

Dear Stan,

September 5. 1969

Thanks for your prompt and proper reply.

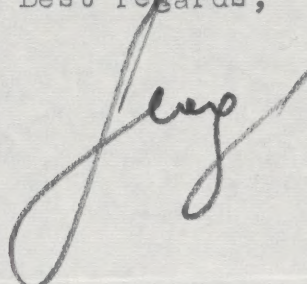

Great minds think alike, I sent a letter to Bob Johnson about the coin, and he has it now for me. I gave first crack among the circumstances, and requested the coin to be sent to you if not wanted by him. In that case, you may want to make an offer for it, or if it is too low, hold for memo for me. At any rate wait until Bob decides.

In case you need some choice 20-s, either type my current price is \$ 67.75 plus postage. Selected pieces only.

If you have cheap \$ 1.00 commem-s for 60-65 dollars (panPac, Jeff. McKindley, Luisiana Purch.), you may ship up to 10 of each but must be EF or better conservatively graded. In that case ship to me c/o MAT Transport Sihlfeld Str. 88. Zurich. Switzerland and send your bill directly to me.

Otherwsie, we still like England, and if I were a single guy I would like ~~xxxx~~ it even more. The chicks are good looking and promiscuous around here. What more can you ask for?

Best regards,
